

A letter from Cliff

Greetings to you all,

For the past 18 years the Lord has allowed us to share this ministry called "*Staying in the Word*" over the Internet. From teaching a weekly home Bible study for over twenty years, those studies have been developed into a website designed to edify the saints and advance the Kingdom of our gracious God.

Our website contains studies in the Pauline epistles as well as some very practical Topical studies. It is our prayer that you might be blessed by the time you spend in the Word of God as you work your way through these studies. After reading through some of the informational pages and perhaps looking at a study or two, if you find that your heart has been encouraged; I would like to ask you to pass our address along to others who might be edified in their walk with Christ.

We would greatly appreciate your valuable feedback. You can reach us by writing to Cliff@stayingintheword.com and we will respond promptly. Thank you so much for taking the time to look at our website, may the Lord richly bless you and your family as you spend your days "Staying in the Word".

Because He lives,

Cliff and Beverly
